**"A" LEVEL:** Teams should be skilled in all volleyball techniques and able to execute offensive and defensive plays in a highly competitive setting. Teams that have finished in last place in the Spring, "A" or Winter "A" Leagues will be moved to the "B+" League unless they were competitive with the top "A" level teams or they can show they have improved their team.

**"B+" LEVEL:** This level is designed to develop future "A" players and is also a good place for former "A" players. For teams who have finished in 1<sup>st</sup> or 2<sup>nd</sup> place in "B" Level, but are not yet ready for "A" Level.

**"B" LEVEL:** Teams with players who have athletic ability, but practice volleyball skills only during the season, or teams who have done well in the "C" Level. "B" Level may be divided into sub-levels by projected ability.

**"C" LEVEL:** Teams with little experience or new to volleyball. This league promotes the proper skills. It is not backyard or beach volleyball.

*The Community Recreation Department relies heavily on teams to correctly self-seed into their appropriate level of play. However, the Department reserves the right to make placement changes to improve the overall quality of the league.*

## FALL VOLLEYBALL LEAGUE REGISTRATION REMINDERS FOR MANAGERS

Volleyball team managers are asked to carefully follow the registration procedures and policies regarding player eligibility and releases. It is also the duty of the team manager to review all the league policies and rules with their team members before play begins.

### POLICIES AND REMINDERS

**Six Player Rosters** – The minimum number of players required to be listed on a team roster is six. Teams that will be missing players throughout the year or prefer to have subs are free to carry up to ten players on their roster.

**Roster Flexibility** – Each player must still be registered with the Community Recreation Department. Roster changes involving any resident player or a “one for one” switch of non-resident players may be made simply by making a phone call to the Community Recreation Department. Any changes (within the rules) may be made until mid-season. Roster will become frozen as of the mid-season date specified on the league schedule. At this point in the season, no further roster additions will be allowed unless permission has been granted by the Recreation Supervisor.

### Teams may begin play with four players

– A team’s requirement for the amount of players required to begin a game is four. Furthermore, teams could continue playing with less than four if they wish.

**Coed Rule** – Teams must play with either three men and three women or two men and three women or two men and two women (or any combination if playing with less than four). Due to an unfair spiking advantage, a combination of three men and two women will not be allowed at any time.

## Volleyball Referees Needed!

Current and former volleyball players with good human relations skills are needed as referees. We schedule according to an individual’s availability. Make \$45-\$75 a night! Apply at the Community Recreation Department, 607 S. Water St. or print application from website – [www.sheboyganrec.com](http://www.sheboyganrec.com).

**...Especially for Co-ed, Men’s and High School Leagues...** Volleyball officials are needed for the Tuesday Coed, Wednesday Men’s and Thursday High School leagues. To avoid cancelling some of these leagues several years ago, we hired participants to officiate matches in which they were not playing.

**We are also asking that managers refer reliable players with some officiating experience to our department.** Those interested in becoming designated fill-in officials should contact Jody Brooks at the Community Recreation Department at 459-3773.
