

Abadabadabada

Abadabadabada said the chimp to the monkey
Abadabadabada said the monkey to the chimp
All day long they chatter away, all day long they are happy and gay.
Sining and swinging in a honky tonky way.

Abadabadabada means monkey I love but you
Abadabadabada in monkey talk means chimp I love you too.
And the big baboon one night in June
Married them and very soon they went upon
their Abadabadabada honeymoon.

Alice (or Sally) the Camel

Alice the camel has five humps.
Alice the camel has five humps.
Alice the camel has five humps.
So ride, Alice, ride.
Boom, boom, boom, boom!

Alice the camel has four humps.
Alice the camel has three humps.
Alice the camel has two humps.
Alice the camel has no humps.
Alice the camel has no humps.
Alice the camel has no humps.
'Cause Alice is a horse, of course!

Actions: This classic children's song works well to reinforce counting. When done in a group, everyone should get in as close to a circle as possible and put their arms over the shoulders of the people next to them. Then during the saying of each number of humps everyone bends at the knees. During the lines boom, boom, boom then everyone bangs hips against each other. Nothing dangerous of course. Or to do individually, show five fingers when you sing "5 humps", then four, three, etc. Swat your hips from side to side on the "boom, boom, boom".

Animal Fair

I went to the animal fair,
The birds and the beast were there,
The big baboon by the light of the moon was climbing his auburn hair,
You should have seen the monk; he sat on the elephant's trunk,
The elephant sneezed and fell on his knees, and what became of monk, the monk, the monk?

Suggestion: "The monk, the monk" can be sung continuously by a few while others sing the song again.

Can you use them for a mop?
Are they stingy at the bottom?
Are they curly at the top?

I was playin with my froggie in the bathtub
On one very cold and rainy day
I was playin with my froggie in the bathtub
When, woops, he jumped and got away

My froggie is swimmin' in the bathtub
If you've ever been sittin' there you'll know
So if you feel a little splash (Wool!)
Or hear a little croak (Ribbet!)
It's just my froggie doin' the backstroke

Someone thought they saw him in the laundry

Once he ate up half the cookie jar
But playing in the depths of the bathtub
It's his absolute favorite place by far

Well that is the story of my froggie
He may not ever be seen again
So when you're sittin' in the bathtub
Doin what ya gotta do
Just remember my little song
And remember my froggie too.

Who was sick, sick, sick
So she called up the doctor
To come quick, quick, quick
The doctor came with his cane and his cap
And he knocked on the door with a rap, tap, tap
He looked at the dolly and he shook his head
He said, "Miss Polly put her straight to bed."
He wrote on a paper for a pill, pill, pill
"I'll be back in the morning with a bill, bill, bill."

He always runs the other way.

On Top Of My Pizza

On top of my pizza

All covered with sauce

Could not find the mushrooms

I think they got lost.

I looked in the closet

I looked in the sink

I looked in the cup that

Held my cola drink.

I looked in the saucepan

Right under the lid

No matter where I looked

Those mushrooms stayed hid.

Next time you make pizza

I'm begging you, please

Do not give me mushrooms

But just plain old cheese.

On Top Of Spaghetti

On top of spaghetti all covered with cheese
I lost my poor meatball when somebody sneezed. (Ah -choo)

It rolled off the table and onto the floor
And then my poor meatball rolled out of the door.

It rolled in the garden and under a bush
And then my poor meatball was nothing but mush.

The mush was as tasty as tasty could be
And early next summer it grew into a tree.

The tree was all covered with beautiful moss
It grew lovely meatballs and tomato sauce.
So if you eat spaghetti, all covered with cheese,
Hold onto your meatball and don't ever sneeze!

The Bear Song

The other day
I met a bear
A great big bear
Way up there

He said to me
Why don't you run
I see you ain't
Got any gun

And so I ran
Right out of there
And right behind
Was that bear

In front of me
I spied a tree
A great big tree
Oh lucky me

The nearest branch
Was 10 feet up
I'd have to jump
And trust my luck

And so I jumped
Into the air
And missed that branch
A way up there

Now don't you fret
And don't you frown
I caught that branch
On the way back down

Now that's the end
There ain't no more
Unless I meet
That bear once more

Repeat each line after leader,
then all sing whole verse over together.

The Man On the Flying Trapeze

He flies through the air with the greatest of ease
The daring young man on the flying trapeze
His movements are graceful, the girls he does please
That man on the flying trapeze

One night as he swung on the flying trapeze
He covered his mouth as he started to sneeze
And then without warning he suddenly fell
And now there's no story to tell

They buried the man on the flying trapeze
The clowns and the elephants, how they did grieve
They told of his daring, the tears did abound
"cause you can't swing when you're underground

From California to the New York Island,
From the redwood forest to the Gulf

I saw before me the endless skyway,
I saw before me the golden valley
This land was made for you and me.

To The Beach (sung to "London Bridge")

We are going to the beach,
To the beach, to the beach
We are going to the beach
In our bathing suits.

We will find there rocks and shells
Rocks and shells, rocks and shells
We will find there rocks and shells
To gather by the water.
We will build a sand castle.
Sand castle, sand castle,
We will build a sand castle,
With bridges and a tower.

We will have a picnic too,
Picnic too, picnic too
We will have a picnic too
With sandwiches and oranges.
Home we head with sunburned cheeks,
Sunburned cheeks, sunburned cheeks,
Home we head with sunburned cheeks,
And treasure from our visit.

Twinkle, Twinkle, Little Star

Twinkle, Twinkle, Little Star,
How I wonder what you are.
Up above the world so high,
Like a diamond in the sky.
Twinkle, Twinkle, Little Star,
How I wonder what you are!

When the blazing sun is gone,
When he nothing shines upon,
Then you show your little light,
Twinkle, Twinkle, all the night.
Twinkle, Twinkle, little star,
How I wonder what you are!

Then the traveler in the dark
Thanks you for your tiny spark;
He could not see which way to go,
If you did not twinkle so.
Twinkle, twinkle, little star,
How I wonder what you are

Yankee Doodle

Yankee Doodle went to town

Riding on a pony

Stuck a feather in his cap

And called it macaroni

Yankee Doodle, keep it up,

Yankee Doodle Dandy.

Mind the music and the step

And with the girls be handy.

Father and I went down to camp

Along with Captain Goodin,

And there we saw the men and boys

As thick as hasty puddin'.

Yankee Doodle, keep it up, etc.

And there was Captain Washington

Upon a slapping stallion,

A-giving orders to his men,

I guess there was a million.

Yankee Doodle, keep it up, etc.
