Designated adult supervision must be provided at all times. The Supervisor shall remain until all members of the group have left the building at the conclusion of the activity. **Minors cannot be left unattended. If they are, the police may be called.** The renting party is responsible for all actions that occur in the facility as a result of their use of the facility.

Equipment

General Regulations

- School officials will at all times have full authority to enforce proper and safe conduct of all persons and activities on school property.
- When using school facilities, sponsoring organizations will furnish adequate adult supervision and will be responsible for properly caring for such facilities and leaving them in same condition as when they arrived. The person signing the application for use of the school facilities shall be held personally liable to the school district for any damage done to any property and for any expense incurred by, at, or in consequence of such use of school facilities.

- **Alcoholic beverages and smoking are not permitted** in any school building or on any school grounds.
- Please be aware of people with allergies such as nut and latex. No latex balloons are allowed.
If serving food with nuts be sure it is all cleaned up.
- Those who use the school facilities must enforce the regulations for fire prevention and safety as well as to abide by the policies set forth by the Board of Education.
- When municipal regulations require (or at the discretion of the school administrator/custodian in charge) the presence of policemen or firemen, the sponsoring organization must agree to fully identify itself and the person who is the official representative of that organization.
- **School Closings/Delays** - When schools are cancelled or delayed due to weather conditions all rentals will also be cancelled.

Auditorium/Commons Technical Staff

When renting a school district auditorium or high school commons and needing any lighting other than overhead lights or sound equipment, a school district approved operator must be secured and charges will be added to the rental. Personnel vary by school. A list of qualified persons is available at the Community Recreation Department.

Priorities

First priority for use of all school facilities goes to the schools for extra-curricular and sports activities. **Second priority** goes to the Community Recreation Department and **third priority** goes to the general public. There may be rare occasions such that a school will arrange an activity after one has been already scheduled by the Community Recreation Department or by the general public, therefore "bumping" it and taking use of the facility desired. However, schools make a conscious effort to promptly notify the Community Recreation Department of all activities and only in emergencies may need to secure a building without advance notice.
