A/B+ LEVEL: Teams should be skilled in all volleyball techniques and able to execute offensive and defensive plays in a highly competitive setting.

"B/C" LEVEL: Teams with players who have athletic ability, but practice volleyball skills only during the season, "B/C" Level may be divided into sub-levels by projected ability if enough teams are registered. This level does promote proper volleyball skills, but officials will not be as stringent as A/B+ when making certain calls.

The Community Recreation Department relies heavily on teams to correctly self-seed into their appropriate level of play. However, the Department reserves the right to make placement changes to improve the overall quality of the league.
